Dr. Smith's Private Practice
555 Healthcare Drive, Suite 5
Greensboro, NC 27401

Dear Dr. Smith:

Are you ready to simplify your practice's IT, finance, and administration and have data to make informed decisions at your fingertips?

We are simpleCARE consulting and we are experts in HIPAA and HITECH compliance in information technology, finance, and administration. Through our simple approach to workflow in these areas, we can extract data to provide you and your team with powerful analytics dashboards to streamline decision making.

Our expertise in practice management and healthcare IT will allow you and your team to focus on patient care through customized workflows and integrations between electronic medical record software, billing software, and more.

We would love to schedule an initial consultation with you and your team. Please contact us at 336.555.5555 at your earliest convenience.

Sincerely,

Kasani Amore, Kayla Schill, and Rachel Worley
